RULES & REGULATIONS

BOAT CONSTRUCTION

- All boats must be homemade, crafted of materials that you could find around your house.
- Approved Materials: cardboard, wood, PVC, duct tape, milk jugs, saran wrap, old t-shirts, outdoor furniture, old bikes, and pool noodles. Oars, paddles and sails are allowed (hence the t-shirts) and pedal power is OK.
- No motors of any kind.
- Your craft **MUST NOT** be commercially designed or built to travel on the water any further than the length of the race course. The vessels must be powered by human energy. *Ex: Powerboats, canoes, kayaks, skiffs or other commercially designed craft will not qualify.*
- As a safety precaution, please be sure your vessel has an easy exit in case of emergency.
- All vessels must float on their own, without external support.
- Teams are responsible for the proper disposal of the craft remains after the race. A dumpster will be available at the end of the course. No vessels may remain after the event is finished.
- All vessels and entries will be inspected to assure design; costumes, etc. are in “good taste” and that the design or identification does not violate standards. Entries not deemed appropriate may be disqualified. The decision of the judges is final.

PERSONAL SAFETY

- All participants must be at least 13 years of age. The entire crew must sign the enclosed waiver of responsibility. Signed waivers must accompany completed entry forms. Last minute crew changes are permitted upon receipt of signed and witness additions to the Release and Indemnity form. Participants under 18 must have a signed release from a parent or guardian.
- U.S. Coast Guard approved “personal floatation devices” (PFD’s, life jackets or vests) must be worn at all times during the race. The life jackets must be in good condition and be of the proper size. **No safety equipment will be provided by the race organizers.**
- All participants must be contained within their vessel. No participants may swim alongside their vessel.
- **ALCOHOL IS NOT TO BE CONSUMED BEFORE OR DURING THE RACE.** The presence of alcohol on your vessel and/or the consumption of alcohol during or prior to the race will result in immediate disqualification and/or possible fines.
- The race will occur rain or shine! Cancellation will only occur due to severe or dangerous weather conditions. A severe weather date will be set in the event of unsuitable weather and communicated to the team captains as soon as the information is available.

The race organizers reserve the right to amend these rules at any time and will notify you of any changes.
